Cruise Highlights

Card Player Cruises invites you to visit these exotic ports with us!

Departing from Copenhagen, Denmark, Scandinavia's largest city is a treasure trove of art, history, architecture and modern design. Copenhagen artfully mixes fairy-tale settings like palaces, castles and elegant gardens with cutting-edge style and contemporary chic.

Stavanger, Norway:

You will love visiting Stavanger with its mix of old-world charm and modern bustle. The center of Norway's North Sea oil production, the port sits on a scenic archipelago nestled between imposing mountains and sandy beaches. Snap away at picturesque, whitewashed wooden homes dating to the 18th century. Enjoy a hike on the breathtaking "Pulpit Rock" that will get your heart pumping.

Bergen, Norway:

Bergen's rugged glacial scenery, forested mountains and charming medieval architecture inspire artists and visitors. Set among seven mountains, this Norwegian port dates back to 1070 and grew wealthy in the Middle Ages. Explore Håkonshallen, part of Bergen's ancient fortress or visit The highest point in the city and enjoy hiking trails with beautiful views of the city.

Alesund, Norway:

Even if you've never heard of Art Nouveau, the signature architectural style is only part of the appeal of this village of small islands and canals. A charming harbor, towering fjords and mountains complete the picturesque setting. Explore the history of Alesund and its people from the Stone Age to the 1900s!

Geiranger, Norway:

Considered the most beautiful city in Norway, the Geirangerfjord astonishes with its power and beauty. There are various ways to experience this natural wonder: hiking, kayaking, biking or enjoying the views from a high mountain summit. Geiranger has the deepest freshwater lake in Europe and one of the most beautiful fjords in Norway, with towering mountainsides and waterfalls.
